

Almundo Selects NEORIS as Strategic Partner for Digital Transformation Project

Buenos Aires, and Miami-- January 18, 2018-- Almundo, a travel fare aggregator website based in Argentina with presence in Brazil, Colombia and Mexico, announced an agreement with NEORIS, a digital consulting services company, to oversee its digital transformation project.

NEORIS was selected as strategic partner to assist Almundo in the implementation of SAP (S/4HANA) for the entire region, beginning with its branch in Brazil, which will launch operations in early 2018, followed by the implementation in the other countries where it has a presence.

SAP S/4HANA is a real-time enterprise resource management suite for digital business. It is built on an advanced in-memory platform, SAP HANA, and offers a personalized, consumer-grade user experience with SAP Fiori. Deployable in the cloud or on premise, SAP S/4HANA can drive instant value across all lines of business – no matter the industry or business size.

"We are excited about this new endeavor and very pleased to have chosen a trusted partner such as NEORIS to start our digital transformation journey," said Paco Vives CFO of Almundo. "Without a doubt, our project with Almundo is a one of the largest to date in the region and an important client to add to our ever-expanding portfolio. We want to thank and recognize the team that made this partnership possible," commented Fernanda Alvarez, Business Director of NEORIS.
